NUDE BOFFIN CONTINUES ANTI-BREXIT CAMPAIGN

By STEVEN COX
news@sundaysport.co.uk

ECONOMICS boffin Victoria Bateman has never been shy about expressing her views on Brexit.

And even now the deal is done, she is still giving her opinion on the UK leaving the EU, the only way she knows how – by doing it NAKED.

Snatch

The Cambridge uni academic uploaded a video on Twitter of her in the buff as she spoke out about Brexit.

The video contains nudity from the start and full frontal nudity from 30 seconds in – when she whips away her handbag from her luxuriant snatch.

She had taken to Twitter to ask the public what she should wear to give her oration.

The options were standard work clothes, funeral attire, an EU flag or just a scarf and handbag.

RAW PROTEST: Dr Bateman in video

A total of 1,625 people took part in the poll and the scarf and handbag won with more than half of the votes.

In the video speech Dr Bateman spoke about her key message, which is that "Brexit leaves Britain naked".

A fan said: "I do not agree with her analysis of the consequences of Brexit, but I salute her continuing efforts to speak her truth – and to speak it in the nip.

"What's more, I love her big, hairy fanny. A classic minge, that."

I bashed my bollocks to get Danny Dyer 'baked potato' balls

FAN: Pete (*above*) and Danny

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

***EASTENDERS* fan Pete Bridges would do anything to be like his hero, Danny Dyer.**

So when Pete, of Bispham, Lancs, read that the Queen Vic landlord had a testicle the size of a baked spud, he wondered how HE could get a big bollock, too.

After "some ciders", he came up with the solution to his dilemma – twatting his left plum with a small wooden mallet in the hope the injury would make it swell.

Unfortunately, the exercise did not leave Pete with an outsized gonad – just a burst teste that needed emergency hospital treatment.

Groaned

Pete, 45, groaned last night: "I've never felt pain like it – even after all that cider.

"At first I thought, 'Oh, the pain will subside in a bit' but it didn't. It just got worse.

"In the end I dialled 999 and told them what I'd done. The emergency operator was very calm, as though they get people who've deliberately hit themselves in the balls with a mallet every day.

THINK YOU'D BETTER GONAD: A baked spud

"Doctors reckoned I'd completely destroyed my bollock and they had to remove what was left, just to prevent infection spreading. It's unlikely I'll be able to sire children now.

"Silly me."

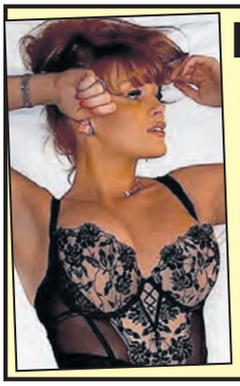
Last week soap actor Danny revealed one of his testicles is the size of a jacket potato – and he even whips it out to show people!

The 42-year-old's inflated ball has been the stuff of showbiz legend for years, but this is the first time he has confirmed it.

Asked what his party trick was, the Mick Carter star explained: "Ah, it's really rude.

"I've got a big bollock – just one. It's the size of a jacket potato and, er, sometimes I get it out, pad it in glitter and we have a little pipe at it."

"Pipe" is Cockney slang for "look".



Hollywood blockBUSTers!

SUMMER Monteys-Fullam is showing her ex Paul Hollywood what he's missing – by posing in her scanties!

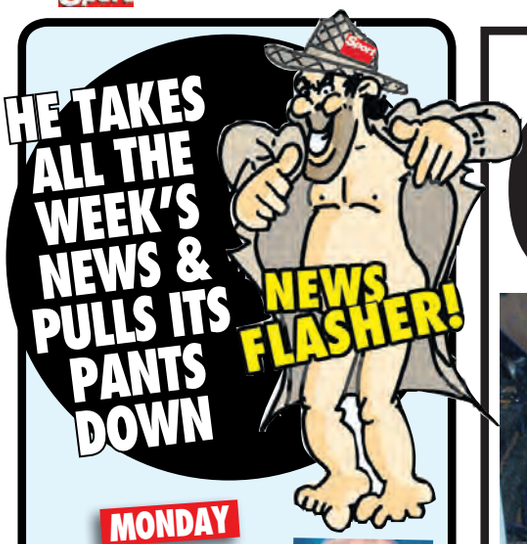
But Summer, 24, is clearly happy being single as she posted this snap of herself sizzling in racy lingerie.

"You can still wear sexy underwear when you're single," she captioned the saucy photo of herself seductively posing in bed, wearing the racy one-piece.

The lingerie had black and floral lace cups which boosted the former barmaid's perky assets – and Summer's auburn locks were splayed across the pillow in a tousled up-do.

The socialite's self-love post was taken after she enjoyed a night on the town for her songwriter friend Rachel Rose's birthday.

Summer split from the *Bake Off* host last year.

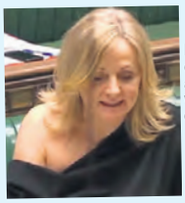


MONDAY

PRINCE William is hailed a hero for making a "brave" speech at the Bafta awards – calling for greater diversity in Britain's film and TV industry.

"We need people from all backgrounds and ethnicities," said the bloke who fell out with his brother after he became the first Royal since George III to marry a black lass.

TUESDAY



LABOUR MP Tracy Brabin causes a stir when she addresses the Commons while wearing a racy, off-the-shoulder cocktail dress.

Many male Tory MPs were horrified by the sight – presumably because they'll now have to choose a new outfit for that little club they attend on a Friday night.

Other traditionalists said Parliamentary rules BAN uncovered shoulders – although MPs remain free to continue displaying bare-faced cheek, naked ambition and brass neck.

WEDNESDAY

A POLICE bodyguard to the former Prime Minister David Cameron accidentally leaves his loaded gun in the toilet of a passenger plane.

"I'm really sorry," he said in a statement, "for making a massive mess and then scampering away before anyone blamed me for the stink."

Well, fair play to the officer for holding his hands up...and to David Cameron for lending him the statement.

THURSDAY

POP pensioner Madonna complains that staff at the London Palladium theatre tried to force her to end a gig by bringing down a fire curtain at exactly 11pm.

Thankfully, the showbiz trouper squeezed back on stage to perform an encore.

Well, it's not the first time she's held back the curtains for a performance. Presumably the coffee table book will be published later this year.

FRIDAY

TV presenter Phillip Schofield shocks almost nobody when he announces that he's gay.

So, 30 years after leaving the broom cupboard, he's finally out of the closet.

SATURDAY

SCIENTISTS discover the source of a loud banging noise in the North Sea.

The sound had baffled researchers for decades but a team from Newcastle realised it was made by grey seals slapping their fins together to ward off potential rivals.

To be fair, Geordie boffins were always in pole position to make that discovery, as they must know more than most about blubbery slappers who'll give you the clap.

NEW ORGY

CORONA SEX

LAGER THAN LIFE: Students get stuck in to new Corona Virus game

'She drank the beer then took off her panties!'

Holly Gibbons, 29, 32E, from Brighton

HOLLY has a pal who is studying medieval law and theology at the University of West Lancs and she's got to see the Corona Virus game first hand.

The 29-year-old beauty said: "I love hanging out with students because they're such great fun and are always thinking up new ways of having a laugh.

Orgy

"Last time I went to see my friend she invited me to a student orgy and, while I only watched, that was so sexy.

"I could feel myself getting wet just watching all that sucking, licking and f**king.

"But this latest craze is just something else. Like, it's really wild."

Holly said she had no idea what was going on when she was invited to an undergrad's room with her pal and four other students.

She said: "They brought along a case of Corona from the bar and I think I made some sort of joke about being 'careful with that stuff', what, with the Chinese bat plague and all.

"Everyone got a bottle of beer and we picked someone to 'start'. Everyone pointed at this girl and she giggled, sank the beer – then whipped off her panties!

"I could not believe it. Her fanny was shaved bald and looked wet, like she was well up for it.

"Then, up went the bottle – just like that! They went around the circle and everyone did the same – the boys putting the bottle up their bottoms, obviously.

"I didn't do it and went to get another case of beer as my 'forfeit'. A small price, I'd say!"

GAME GOES VIRAL

STUDENTS TAKE A LOTTA BOTTLE ...UP 'EM

EXTRA FUN: Pals help girl during a Corona party

By PENNY MARSHALL
news@sundaysport.co.uk

THERE'S no global catastrophe so serious that fun-loving students can't make a sex game out of it.

And that certainly applies to the ongoing coronavirus plague!

For, even though the contagion has already killed hundreds in China and still threatens to reduce the world population to medieval levels, sex-mad undergrads have turned the deadly disease into a sexy party game.

And it's all because the virus shares its name with a famous Mexican lager!

A source at the respected University of West Lancashire – believed to be the epicentre of the new craze – contacted *Sunday Sport* to reveal all.

RESPECTED: Centre of orgy craze

Our source – who asked to remain anonymous for fear of reprisals from the touchy Chinese authorities – said: "At one level, it's a bit sick, but if you can't laugh in the face of a rampaging epidemic that's going to kill us all stone dead, what can you laugh at?"

According to our man, the Corona Virus game started when someone joked that the student union should remove Corona beer from the bar to prevent infection.

He said: "It was said in half-jest but I think that some people actually believed you could get the virus from drinking Corona beer.

Bottoms

"But after a couple of days, they were selling more of the stuff than anything else. And, as is the case with students, it turned into a drinking game."

The rules of the game are simple – if a little revolting.

When it's your "turn", you have to sink a bottle of Corona beer then insert the bottle into yourself.

Women are expected to put the bottle in their FANNIES, while more unfortunate fellows need to insert the bottle ANALLY.

Our source said: "Of course, girls are welcome to put the bottle up their bottoms, too."

Anyone failing to insert the bottle, at least up to the shoulder, has to buy another round of the beer.

Our source said: "Right at the start, a couple of people filmed it and put the footage online. Naturally, it went viral – hence Corona Virus. Geddit?"

Social media is now packed with videos of students playing the game. A quick count shows 181 different students involved in the videos.

And that's not gone down well with university authorities.

A spokesperson from the University of West Lancashire Student Wellness Centre said: "We would certainly discourage anyone taking part in this practice.

"It's unhygienic and dangerous. Quite apart from the inherent danger of putting a glass bottle in yourself, there's the risk it could create a vacuum and cause prolapse.

"You could end up with your arsehole getting sucked into a beer bottle. Eh, not so much fun now, is it?"

Virus gag manager beaten up by sneezy colleagues

A CALL centre worker was hospitalised after colleagues attacked him for joking about someone having the coronavirus every single time they SNEEZED.

Three people were arrested at the office where Liam Carlton worked in south London and he was kept in hospital overnight for observation following the attack.

Carlton, 27, works as a supervisor for a telephone company, which we can't name for legal reasons.

It's believed those arrested – two men both aged 22 and a 34-year-old woman – all worked under the victim.

They have been released pending further investigations.

Chuckle

A witness last night said: "He had been saying it all day.

"Every time someone sneezed he'd shout, 'Hope that's not the coronavirus!' and chuckle to himself.

"To be honest, he's not well liked, but thinks he's hilarious.

"He often bangs on about having a crack at stand-up comedy.

"Finally at 3pm he shouted it out again and one of the lads got up and walloped him.

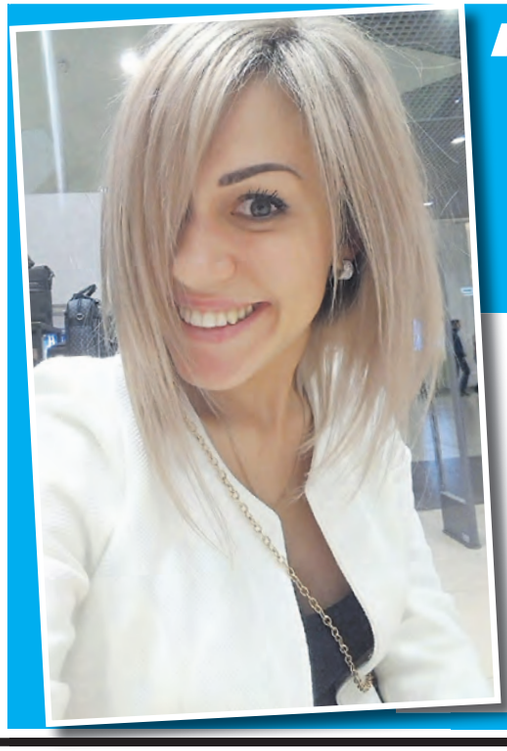
"Then another bloke joined in, and a woman.

"Someone called the police – there was blood everywhere.

"I reckon they'll get the sack because this was a serious beating, and you can't come back from that.

"To be fair though, everyone in the office would back them.

"He's just such an annoying twat!"



'Sliding the bottle inside me really turned me on!'

Patti King, 20, from Manchester

PATTI is in her third year studying linguistics at West Lancs and claims she was at the very first Corona Virus party.

She laughed: "I was in the very first video that they shot and I can say that thousands of people have seen me putting a Corona bottle up my fanny. I'm a star!"

Bucket

Patti said that everyone was "very drunk" when they came up with the idea for the game and nobody had any idea is would go viral – like an X-rated ice bucket challenge.

She said: "It was only when people started posting their own videos that I realised it had caught on in such a big way. I've played it three or four times since and found that not only is it a great laugh, it's also very sexy.

"I've found that I'm a bit of an exhibitionist.

"Last time we played it, I didn't just slide the bottle in, I moved it in and out like a dildo – it was really turning me on and I soon felt myself coming.

"The guys were just looking at me, open-mouthed. I was a bit drunk and said, 'Come on, I'm ready for the real thing now'.

"I had three guys fk me – one of them had a really big cock that was as thick as the bottle.**

"What a night. That's NOT on the internet, before you start looking!"

CELEBRITY CORONAVIRUS NEWS

'Paranoid' Katie in fourth victim scare

KATIE Price fears she may have caught the killer Coronavirus after being left bed-bound by a mystery sickness.

The 41-year-old fell ill just weeks after her trip to Thailand where there has been several reported cases of the fatal bug.

And now insiders claim paranoid Katie is worried she could be the fourth person in the UK to have picked up the deadly virus.

A source said: "Katie's been feeling so bad – she's convinced it's more than the flu. She's been texting and calling friends asking what the symptoms of the Coronavirus are as she's been travelling so much there's every chance she could have got it on a plane back from Thailand or Las Vegas or somewhere."

Three people have tested positive for Coronavirus in the UK so far.

The deadly bug has killed 565 people across the world, but there are more than 28,500 infected globally.

Casualty asked to pull virus episode

THE Beeb has been BANNED from featuring the new Coronavirus in an episode of *Casualty* – in case it sparks PANIC in the streets.

Writers of the Saturday night medical drama had been planning to feature an outbreak of the disease, which originated in China.

But when Government officials heard about the plan they stepped in to put the kybosh on it.

Department of Health insiders were worried that featuring the illness – which has killed hundreds in Wuhan province and infected hundreds of thousands worldwide – could cause panic.

So they ordered the Beeb to pull the episode.

A BBC source said: "The Government does not technically have the power to stop anything like this being broadcast, but the BBC knows it has certain responsibilities.

"So it would certainly not stand in the way of any official advice from the Government to avoid creating panic."

Kim K flies in the face of killer bug

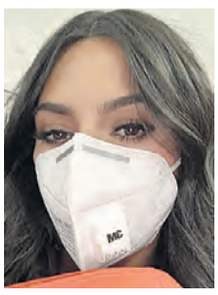
REALITY babe Kim Kardashian has been caught up in the Coronavirus panic after posting a pic of herself donning a FACE MASK to board a flight.

The 39-year-old social media star was in New York last week to appeared on *Good Morning America* and at a store to launch her SKIMS brand.

Taking to Instagram, she shared a photograph of herself donning a protective mask and a large pair of gloves.

She wrote: "I'm travel prepared now."

Twelve cases of the deadly Coronavirus have been confirmed in the US so far with more than 28,000 cases confirmed in China, and around 300 others worldwide.



At present there are three cases confirmed in the UK.

SKIMS are a sort of figure-hugging undies that make ladies appear a bit thinner.

At the brand's launch, she featured models of all shapes, ages and sizes at her NYC showcase last week.

It is not thought that SKIMS provide any defence against Coronavirus.

Sh*t bog paper through door stalker jailed

A "CUNNING and sinister" stalker who sent his victims shitty toilet paper has been jailed for six years.

"Resentful" Afzal Miah tormented his targets, including a criminal barrister, a headteacher and NHS staff, by bombarding them with intimidating voicemails and emails which included death threats, according to Scotland Yard.

The 33-year-old (*above*), who frequently diverted police away from actual crimes by making fake reports about his "bullies", trying to get them sacked and arrested, was sentenced at Snaresbrook Crown Court in London where he was also handed a 10-year restraining order, the Metropolitan Police said.

He was convicted of seven counts of stalking and one of breaching a criminal behaviour order and a restraining order after posting soiled bog paper to his neighbours in Enfield.

PIERS MORGAN MADE ME GROW WOMEN'S TITS

GROSS-BUSTERS: Barry (*main pic and inset with his wife Kathleen*) blames Piers for his breasts

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

RABBLE-ROUSING breakfast telly host Piers Morgan has been accused of many things: cheapening national debate, hectoring guests he disagrees with, being too pally with President Trump...

But unfortunate Barry Tuttle has a more personal bone to pick with the 54-year-old motormouth.

He claims Piers made him grow women's TITS!

Fallen

Barry, 49, of Winchester, Hants, is the less-than-proud owner of a pair of 42B busters and said they began to sprout after he and wife Kathleen started viewing ITV's *Good Morning Britain* breakfast show.

He explained: "We were BBC *Breakfast* through and through and we loved the former double act of Bill Turnbull and Sian Williams. Their on-screen chemistry was second to none.

"Unfortunately, since Sian and Bill left, the BBC has fallen behind.

"Personally, I can't stand Dan Walker.

"So we started to watch ITV and, at first, we both enjoyed the banter between Piers and Susanna Reid. In fact, we still do.

"But after about six months, I noticed that my chest was developing in a rather disturbing way.

"As I was putting on my pyjamas one night, Kathleen said to me, 'Are you growing women's tits?'

Angry

"I became angry but she was right. I was developing flabby women's tits – and they just kept growing. Now look at me! I'll need a ruddy bra next! Nothing else in my life has changed, only switching to watching Piers Morgan.

"Piers Morgan has made me grow women's tits. It stands to reason."

Kathleen, 54, is less convinced and mumbled something about the "dirty bastard licking my old HRT patches" – but Barry is adamant.

He fumed: "I've written to ITV and to Piers Morgan but have had no reply. This is serious. I want compo."

A source close to Piers Morgan was unavailable for comment last night.

'Manic' nude punched cops

A MAN who was found naked in a churchyard assaulted the two cops who went to investigate.

A court heard the policemen went to St Mary's Church, Skegness, Lincs, at 9pm on October 3 following sightings of a man strolling about nude.

They found various tools spread about on the ground and a tin with photographs in it before Laurence Buckingham, 56, wearing just a trench coat, yelled at them: "Get out of my house."

He then dropped the coat, leaving himself totally naked, punched one cop in the face and struck out at the other before he was subdued.

Boston Magistrates' Court heard Buckingham was having a 'manic episode' following a break-up.

He admitted assault and was given a community order.

BUMMER: Brian's dog Dingo bit his rear over 'insult'

I called my dog a 'companion' – and the bastard bit me

KEEN not to "objectify" his dog, Brian Patterson started calling his four-year-old Pointer, Dingo, his "companion"...

And he got bitten on the ARSE for his troubles.

Brian's woes began last Tuesday while watching a representative from militant bunny-hugging outfit PETA on ITV's *Good Morning Britain*.

Jennifer White told viewers the word "pet" implies that the animals are a possession.

PETA, she said, would prefer the word "companion".

It got divorced Brian, 45, of Oakham, Rutland, thinking.

He said: "It made me think and I decided to refer to Dingo as my 'companion' from then on."

But when introducing Dingo as his companion to members of his weekly basket-weaving course, the dog kicked off.

Brian said: "He started barking, looked very angry and bit me on the bottom.

"I don't blame PETA. It seems I have a dog who has been conditioned by the establishment patriarchy."

THE VOICE OF YOUR BRITAIN

Ken you believe ITV bosses plan more PC change?

NO, NO and a thousand times NO please Coronation Street!

Our best-loved soap opera is set to baffle and bewilder its loyal army of viewers with yet another PC storyline.

Their latest wheeze is to give Ken Barlow a SEX CHANGE!

Ken is a fixture of the Street – he's been there since day one.

Making him a woman is like daubing graffiti on a Da Vinci masterpiece, or adding a drum solo to Beethoven's 9th Symphony.

Naturally, we have no problem with anyone transitioning. One of the greatest advances of the modern era is the acceptance of gender fluidity.

However, we cannot help but think that Ken's forthcoming storyline is simply a case of bandwagon-jumping and of so-called "virtue signalling" on the part of ITV bosses.

This can't be seen as anything but cynical.

For an individual to take the huge decision to realign their genitals is an intensely personal thing. It involves immense emotional strain.

To take this process and use it for the tawdry pursuit of short-term viewing figures seems deeply troubling.

We hope that ITV reverse this decision and leave dear old Ken just as he is.

Applaud Phil for being Scho brave

WE have to congratulate Phil Schofield for his bravery in coming out as a gay.

We can only speculate the inner turmoil he must have gone through before making this huge announcement.

Let us hope this does not affect his career.

Being a gay man in the TV industry must be a difficult and lonely thing.

We all wish him well.

Notebook sex too hot for Jessica

JESSICA Simpson says she turned down a role in movie *The Notebook* – because of SEX!

In her memoir, *Open Book*, Jessica claims that she was sent the script and offered Rachel McAdams' role in the 2004 romance.

But she knocked it back because she wasn't willing to do an explicit sex scene.

She said: "I knew exactly what the movie was about because I'd read the script but turned it down because they wouldn't budge on taking out the sex scene. And it would have been with Ryan Gosling!"

Simpson and Gosling were on *The Mickey Mouse Club* together as kids, and she said he was her "first crush."

Jess turned down other films over sex content, mostly due to her relationship with then fella, Tony Romo.

She said: "One of the few parameters he put on the relationship was a big one: He didn't want me to do any movies requiring an on-camera kiss, which basically ruled out any romantic comedy, the type for which I'd most likely be cast."

Cops hunt pervy masked-turbator

A MASKED man who openly masturbated in the middle of a busy street in broad daylight is being hunted by police.

The pervert was seen touching his private parts in front of women in Cathays, Cardiff.

One university student said she felt sickened and disgusted by what she saw, adding: "I always walk that way to uni.

"I've heard a few dodgy things before, but never had anything myself, so I didn't think about it, especially in the daytime.

"There was a guy leaning against the bridge and he clocked me at the bottom of the stairs.

"I was on the phone at the time so I thought it would be OK, but he walked to the middle of the bridge and started touching himself."

South Wales Police are investigating.

GRAHAM NORTON MONKEY STOLE MY GRAN'S SHAVING FOAM

SHIT-FLINGER: Clyde also tried to shave off all his facial hair

HOST: Norton

SUNDAY SPORT EXCLUSIVE By SIMON DEAN

WITH a groan of resignation, Nathan Wilson settled down to watch last Sunday's Bafta film awards with his gran Muriel and pet orangutan, Clyde.

While the annual luvvie backslapping event leaves Nathan cold, his gran and Clyde are HUGE fans of its host, Graham Norton.

But 2020 was the year that Clyde fell OUT of love with the quick-tongued gay Irishman after his opening monologue fell somewhat flat.

Nathan, who lives with Muriel, 78, at her home in Dagenham, Essex, after splitting from girlfriend Hazel, said: "It was so excruciating.

"Graham is usually one of the funniest men on telly but whoever did his script on Sunday night wants shooting.

"It was abysmal.

"I don't know if Ricky Gervais's Golden Globes routine had set the bar too high for everyone else this year but old Norton just seemed flat and uninspiring."

Clyde, though, was even more upset.

Nathan, 23, explained: "Clyde has loved Graham Norton since he first saw him on *Father Ted* and never misses him on the telly.

"But on Sunday he did that whole monkey 'hands over eyes' thing. He pulled out his tongue and even threw some of his won faeces at the TV screen, which really upset gran, what with her nerves and that."

And there was worse to come…

Nathan added: "When Graham grew a beard, Clyde was really proud as he thought he'd done it as a tribute to him.

"But in the early hours of Monday, I found our Clyde in the bathroom. He'd emptied a full can of shaving foam over his face and was trying to shave off his facial hair.

NOT AMUSED: Muriel and Nathan

"He clearly didn't want to look anything like Norton after that dismal routine."

A BBC source said it "sincerely regrets" any upset caused by Graham Norton and they have now launched an investigation.

Our source added: "It's the last thing we need, after all them women demanding higher pay."

OUR investigations found Nathan did not have a licence to keep Clyde, as required by The Dangerous Wild Animals Act 1976. We informed the authorities, and Clyde was removed from Nathan's gran's house and will be destroyed tomorrow.

Awesome shag college boss is struck off after Xmas do grind

A MARRIED college boss who boasted: "I'm an awesome shag," has been banned from working in education.

Stuart Tandy, 42, described himself as a "Jack-the-lad" until a string of female colleagues complained over his sexual antics.

He has now been struck off after a disciplinary hearing ruled his actions were "sexually motivated" and not just banter.

Mr Tandy, from Brynmawr, South Wales, forced a woman colleague to dance with him at a Christmas do and grinded against her saying: "You're making me hard".

He also made a foul-mouthed speech at the festive bash in a pub, where he told his shocked staff: "Cindy likes cock."

Presenting officer Cadi Dewi said: "He was described as a Jack-the-lad who used sexualised language and innuendo in the work place."

The hearing was told Mr Tandy, who held a management role at Torfaen Training, a council-run further education centre in Cwmbran, South Wales, also boasted to staff: "I'm an awesome shag – my wife told me."

"He had his finger up my clicker!"

TELLY legend Phillip Schofield proved he is one of the bravest men alive when he told the world that he now prefers his lovers to have penises.

The *This Morning* host wept tears of bravery as he admitted that he was no longer interested in women and would from now only care about men's bottoms.

Phil, who found fame as a Children's TV presenter, appeared on the ITV show to tell the world how proud he was of himself that he had finally admitted to being a gay.

And he reckons his wife of 27 years, Stephanie, was backing him all the way.

But, while sane people rushed to congratulate him on his decision to come out, evil trolls on social media weren't so kind.

By SUZIE SHELDON
news@sundaysport.co.uk

They took to Twitter in their droves to attack the brave entertainer and accuse him of FISTING his former puppet co-star Gordon the Gopher.

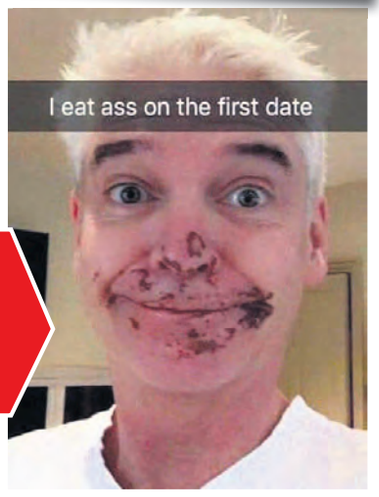
Some even accused Phil of wanking to completion with Gordon and then using the poor creature to clean up his sticky jizz.

A source close to Phil, 57, said: "He knew this was going to be hard. He's brave. He was prepared for that.

"He had no idea people on Twitter would accuse him of doing unspeakable things to Gordon though.

"That's just nasty and sick. These people are just subhuman scum."

...AND THIS IS EVEN WORSE!



OTHER sick internet wags even posted a picture of the TV star with cake of his face (*right*).

And they made out Phillip had posted a grindr advert showing poo on his face from performing the taboo sex act of analingus.

Dildos well up as sales go wild for Valentine's

ONLINE selling site eBay has seen sex toy sales soar by nearly 50 per cent in the run-up to Valentine's Day.

When it comes to new sex toys entering the market 'sustainable sex' is the buzz search term, with 'sustainable sex toys' in the top 10 list of product searches within the category for the first time ever.

According to data from eBay.co.uk 9pm Monday is the most popular time of the week to purchase sex toys, as people look to clear the Monday Blues with a little self love.

Outside of the love-fest month of February, October also has one of the biggest spikes in sex toy sales.

Last year the firm recorded a new sex toy was sold every minute from a range of major outlets like Ann Summers on its site, with the average price of a new sex toy coming in at a wallet-friendly £10.61.

A spokesperson for eBay UK said, "We've seen an extraordinary 81 per cent increase in sales within the category between 2017 and 2019, likely thanks to shows such as *Sex Education*, which have brought sex to the fore of the public mindset."

Judge's rap for Playboy advice

A JUDGE is to be formally disciplined for suggesting a woman involved in a case in his courtroom sell nude photographs of herself to *Playboy*.

Alberto Rivas (*above*) was presided over a dispute involving the girlfriend of a married man and his wife.

The girlfriend sought to have the wife return what she said were explicit pics of herself, alleging she'd sent them to her work.

Refering to the late *Playboy* owner Rivas told the girlfriend: "I will give you a piece of advice... The only person you should be sending naked pictures to are (sic) Hugh Hefner. He will pay you $100,000 for them."

Later Rivas issued an apology after the New Jersey Judicial Conduct committee said he "lacked self-control."

MEET THE MOST PROMISCUOUS GIRLS IN BRITAIN

They've shagged more than 200 blokes between them and they're only 21 years old

COCK LOVERS: Laura (*left*) and Vicky are proud of their sex lives

WHEN Laura Newton saw new housemate Vicky Humphries bring a stranger back to her room on their first night in uni accommodation she knew she had found a kindred spirit .

Because Laura had also pulled her first fella that afternoon and was sure she'd become best mates with her pretty new pal.

Now, four years later, the pair are still housemates, have shagged more than 200 fellas between them and are about to feature in a racy documentary about sexually positive young women.

Exploits

Cameras will follow the 21-year-old pair, who now live in Manchester, for three months in a bid to capture their lives of no-strings sex.

Us Too is being pitched to ITV2 and is a study of female sexuality in the post #metoo era.

Laura, who works in a call centre, says she was approached by film-makers after they read the blog she writes about her exploits.

And she can't wait for the world to see what the two of them get up to.

She said: "I met Vicky on the first day of university and we have been best mates ever since.

"We knew we had a lot in common when she shagged a bloke on the first night – and I banged one on the first afternoon.

"We lived together all through university and when we graduated moved into a house together.

"Sadly, we had to calm down a bit because we both work but every weekend the house is filled with the sound of shagging.

"Basically, if we go out. We pull.

"I know some people might think we're slags but as far as I am concerned that is a sexist approach to female sexuality.

"I am in control of my body and if I want to suck a bloke off in the toilets of a club that is no-one's decision but mine.

"Amazingly, it's mostly women who judge us.

"It was much worse at uni because we quickly got a reputation and lost some friends because they didn't want to be tarred with the same brush."

Secretary Vicky added: "The first night at university I had pulled and was a bit embarrassed the morning after because everyone in my new house would know what I'd been up to.

"But then I saw Laura, who high-fived me and asked how big his cock was.

"I knew then I'd found a friend for life.

"During that first term we were rampant. We were always pulling blokes.

"We didn't always have sex though. Sometimes I'd just suck a bloke off and get fingered. The thing is to pull. I want to be wanted and desired and nothing says that more than a cock stiffening up as you strip naked.

"I've lost count of the number of men I've slept with but I reckon it's at least 100 and Laura is probably the same.

Threesome

"We've never had sex with each other but we have had a couple of threesomes.

"When we do that we don't touch each other we just share a man and make him take turns banging us.

"I don't care what people think of us. I feel good when I'm riding a big hard dick and no-one will ever stop me doing it."

Now the pair are looking forward to the world seeing them at it in the documentary.

Laura revealed: "When the producers approached I was nervous at first but now I think it will be good to educate other young women that having lots pf sex is not a bad thing.

"It's really a positive expression of female sexuality. That's why I started the blog and that's why I'm happy for people to see Vicky and I in action."

An ITV source said: "This is top of the list and looks like it will be green lit very soon.

"It's a really fascinating subject matter and puts another perspective on sex."

Sicko kept women in basement

A MAN has pleaded guilty to running a sex "dungeon" in his parents' basement – where he plied more than 20 women with drugs and forced them to turn tricks.

Raymond Rodio III (*above*), 48, was busted in August 2018 by cops during a routine traffic stop when officers noticed a passenger in his car who appeared to be a victim of sex trafficking.

Beginning in 2014, Rodio ran a prostitution ring out of the dank basement.

He locked the women inside, feeding them heroin and crack cocaine and threatening them with physical violence.

Rodio recruited his victims – largely women in their 20s from Long Island, New York – from social media, a court heard.

He would give them the drugs, often for free, "so that they would develop a dependency on him" and then force them to have sex for money.

He faces 10 years in prison when he is sentenced on March 9.

Legal nudity to make £5bn

A LAWMAKER wants to make clear that it's OK to be naked at a nude beach – to pull in £5billion from tourists.

While it is illegal to expose one's sexual organs in public, many areas permit 'clothing optional' beaches, and Florida has at least 34 nude resorts.

But there are cases in which people have been arrested and charged for being nude, even at a nude beach.

State senator Jason Pizzo, of Miami, wants to make sure folks who enjoy Florida beaches au naturel aren't arrested and charged under sex crime laws.

He told the Tourism Committee the state's nude resort industry already attracts more than 2.2 million tourists a year and nude beaches generate an economic impact of up to £5 billion.

For producers want to give the show's longest-serving character, Ken Barlow, a SEX CHANGE!

Ken, played by veteran actor Bill Roache, 87, has been a fixture on the Street since the first ever episode of *Corrie* in 1960.

He is also the longest-serving soap actor in the WORLD.

In that time, Ken has won a reputation as a top shagger but now ITV bosses want to ring the changes by making him a BIRD!

An ITV source said: "Ken is a much-loved character and a national treasure – developing him to become trans would really push *Coronation Street* into the forefront of the national debate and make the show more relevant than ever.

"It's the duty of soaps to reflect contemporary life and the trans debate is central to that.

"Making Ken trans would reflect the reality that you are never too old to find your truth and to explore your gender identity.

"We're onto a winner here."

But the move has not won the wholehearted support of the trans community.

Millicent Probert, from trans showbiz group TransAct, said: "To have a non-trans actor playing a trans role is as bad as a white actor blacking up."

Back in 1998 *Corrie* bosses introduced the character Hayley Patterson – played by Julie Hesmondhalgh – a trans woman who married Roy Cropper.

Plane crazy as cabin crew get training to deal with w*nkers

AN airline is providing cabin crew with special training to deal with WANKING passengers!

United Airlines was forced to give its cabin crew the specialist training after it briefly made the National Center on Sexual Exploitation's 2019 "Dirty Dozen List".

The NCOSE list is intended to name and shame the companies that "facilitate sexual exploitation" in the US.

United was the only airline to make the list and was accused by NCOSE of having a "sexually hostile environment" on board because of the people watching porn.

NCOSE explained: "incidents have soared of passengers viewing hardcore pornography on their personal devices in tight, closed quarters, leaving fellow passengers and flight crew feeling unsafe, emotionally triggered, and victim to sexual harassment.

"Many reports expressed that United Airlines' flight attendants appeared to be particularly ill-suited for these situations."

United Airlines has promised to do more to help flight attendants keep pornography out of plane cabins.

SORRY: MP Tracy Brabin (*left*) and her cheeky tweet last week

By SARAH DILLON
news@sundaysport.co.uk

GAME Labour MP Tracy Brabin is auctioning an off-the-shoulder dress for charity after it caused controversy in the House of Commons last week.

She was forced to defend her attire last week after her dress slipped down her shoulder as she leaned on the despatch box due with a broken ankle.

From a starting price of £10, bidding had reached more than £1,600 on Friday morning, with proceeds going to Girlguiding.

The listing says the ASOS dress has been "flying off the shelves".

Briefing

The Batley and Spen MP had been raising a point of order in the Commons about journalists being asked to leave a Downing Street press briefing on the next stage of Brexit talks, when her shoulder was exposed.

Ms Brabin, the Shadow Culture Secretary, said she had been to a music event earlier in the day and was not expecting to be called to the despatch box.

But her minor wardrobe malfunction was NOTHING compared to some ladies, whose whole BUSTERS have come adrift, thanks to a loose, off-the-shoulder number.

OUTRAGE AT SICK CORONAVIRUS GAG

A SICK and almost certainly racist viral gag has been blasted by authorities tacking the Coronavirus.

A picture of a Chinese takeaway container shaped as a coffin is doing the rounds, captioned: "First victims of Coronavirus being returned to China."

A medical source said: "We're dealing with End Times here…the end of the world and a massive death plague. It's no laughing matter. And this is probably very racist, too."

The sick gag came to light at the same time as the death of a Chinese doctor who tried to warn of the Coronavirus outbreak.

Li Wenliang died after contracting the virus while treating patients in Wuhan.

Last year he warned fellow medics of a virus he thought looked like Sars.

TORY UNDER FIRE FOR QUIZZING MP OVER ESCORT WORK

A TORY MP was rapped by the Speaker for asking a female MP from another party if she's ever considered working as a HOOKER!

Tory Arnold Viersen and the New Democrats' Laurel Collins were debating a Conservative motion calling for a review of the National Parole Board after a murderer on day parole allegedly killed a sex worker.

Eustachio Gallese, who had been sentenced to life for killing his partner, was out on day parole when he allegedly killed sex worker Marylene Levesque, 22, in a Quebec City hotel room.

Collins (*right*) told the Canadian parliament: "That idea is misogynistic. We need to bring attention to the murder of Marylene Levesque. It's a horrific story and Canadians are rightly concerned about the decisions that led to it."

Viersen called the board's decision to allow Gallese to see a sex worker appalling, and suggested that it sends a message that buying a person is acceptable.

Collins asked Viersen to consider whether previous Conservative legislation criminalising many elements of the sex trade could have contributed to Levesque's tragic death.

That's when Viersen asked Collins whether sex work was an area of work she'd considered.

Udderly disgusting!

TROLL'S VILE JIBE AT STUNNA RHIAN

MODEL Rhian Sugden set pulses racing when she shared her latest busty selfie on Instagram.

The huge-boobed star caught the attention of thousands of her social media followers in black lingerie from online retailer Pour Moi.

Rhian, 33, showed off her assets for her legion of admiring fans.

While most posted complimentary comments several others posted hurtful, personal jibes.

And one went WAY TOO FAR by making a vile UDDERS comment.

The troll, hiding behind the assumed name "Dr Morgan Yu" drooled: "I would love to suckle on her lady udders."

A pal of the busty blonde said: "Rhian is a topless model and gets used to all the unsolicited sexual stuff. But this is just weird."

WILL MEG MAKE KIM

Marketing expert says tape would 'MAKE A BILLION'

SUNDAY SPORT ROYAL EXCLUSIVE

By BRAD CHADWICK

HARRY and Meghan could net a cool BILLION POUNDS by making a sex tape along the lines of the one that catapulted Kim Kardashian to superstardom.

That's the advice of marketing guru Curtis Perkins, who says that a single grumble vid could set the wantaway Royals for LIFE.

The Duke and Duchess of Sussex stunned the world last month by announcing they were to stand down from front-line Royal duties and become an independent outfit.

Filthy

Since then, Harry, 35, has been caught on film touting for work, but in-the-know Curtis says there's no need for the Queen's grandson to go cap-in-hand to tycoons for spare change.

The LA-based exec said: "Look at Kim Kardashian. Nobody had heard of her before that filthy sex tape starring her and Ray J came out in 2007.

"Now look at her! Kim – and her family – are now the most famous people in the world.

"Not only did Kim get a five million dollar payout for the tape, the riches she's amassed on the back of the fame generated by that tape are unimaginable.

"If Harry and Meghan made a sex tape it would blow the Kim K sex tape out of the water. It would truly be something at a completely different level.

"Sensational does not even begin to describe it. They would be looking at – what? – a billion dollars just for the rights to the tape alone.

"It would be the hottest movie ever made. This couple could move to LA, live the high life, be the toast of Hollywood.

"They would not have to put their hands in their pockets ever again."

Curtis added: "They would not even have to do anal. In fact, I would strongly advise against that. It's always good to have something left in the bank, just in case."

PRINCELY SUM: Harry and Meg could make a fortune

SENSATION: Curtis says pair's sex tape would be hotter than Kim K's

Friends of the ex-Royal couple – currently living in Canada – say it's "unlikely" Harry and Meghan, 38, would make a sex vid.

The Queen and Prince of Wales, who were apparently not told of their' announcement to leave Royal life in advance, called a family meeting where details of the couple's future was

SIGHTSEERS STUNNED AT LIGHTHOUSE SEX

A HORNY couple were caught on camera brazenly having sex on a lighthouse roof.

Passers-by on land and sea could be seen looking at the pair as they romped in broad daylight and videos have since gone viral.

The footage shows a passing boatload of people staring in shock at the romping couple.

It's not known if the pair, who have not been identified, were reported or caught by the police.

The lighthouse is believed to be the one which stands in a prominent position at the entrance to the port of Ibiza – a much-pictured landmark and usually picturesque scene.

It comes at a time when the Balearic Government is trying to clamp down on bad behaviour, singling out tourists in various hotspots, including Magaluf in Mallorca Ibiza's San Antonio.

They have warned of stiff fines for a variety of offences ranging from balconing – jumping from one hotel balcony to another – to anti-social behaviour.

Ibiza is also banning alcohol offers, regulating pub crawls and party boats.

thrashed out. Last night, a Buckingham Palace source said: "There was nothing explicit in the deal to bar Harry and Meghan from making a sex tape but I think you could guess the reaction of senior royals if they did go down that route."

Despite the obstacles, Curtis is confident that his idea is a good step for Harry and Meghan.

He said: "I could set it up in hours and have the paperwork to them in Canada within the day.

"I'd sort it, for a reasonable percentage, of course."

ONE HER OWN!

SUITABLY FRIENDLY: Abigail and Meg met on set of TV's *Suits*

Mad Men star Abigail is seen enthusiastically playing with her MOIST private parts.

Due to the illicit source of the footage, it's not possible to say that the woman in the film is definitely Abigail but the actress was included on a list of celebrities who the FBI discovered had been hacked by Emilio Herrera – who was subsequently jailed for a string of cyber crimes.

Wedding

Abigail and Meghan became close friends while appearing together in the U.S. TV series *Suits*.

She attended the Sussexes' wedding in 2018 and she joined them earlier this year on a hiking trip on Canada's Victoria Island.

Fake porn man caged for 21 years

CONQUESTS: Bogus porn maker Brown

By ROY DURRIDGE
news@sundaysport.co.uk

A BOGUS porn movie maker has been jailed for 21 years after being found guilty of 15 counts of rape.

Paul Brown, 41, who was also known as Paul D Smart, set up a fake modelling website to lure women with the intention of sexually abusing them.

As well as rape, Brown was also found guilty of six counts of voyeurism at Exeter Crown Court.

The court heard how he set up an elaborate scheme, manipulating women into having sex with him by promising money and fame if they took part in his "casting couch" sessions.

Makeshift

He founded an online modelling agency, Model South West, targeting women on social media, convincing them if they worked with the company they'd become pro models.

When the victims arrived at his makeshift studio in Okehampton, he would use a mixture of flattery and false promises to force them into situations they were uncomfortable with.

He told them they could have lucrative careers in the adult entertainment industry – but only if they took part either in naked photo shoots or if they had sex with him.

Brown persuaded six women to have sex with him on-camera in what he called POV, or point of view, shots for adult films.

He kept a record of his sexual conquests in a "black book" containing the names, ages and physical details of his partners and included a mark out of 10 for their "performance".

Brown joked with police in an interview that he was "not Harvey Weinstein" but used the infamous casting couch technique of offering fame and fortune in exchange for sex.

He pleaded guilty to one count of voyeurism, which involved him installing a hidden camera at his home to spy on a female visitor in the bathroom.

SEX-MAD MISS WAS 'DRENCHED' IN TEEN SPUNK

ARRESTED: Biology Miss Meredith Martin

A TEACHER has been charged with child sex offences after she was spotted SUCKING OFF a 15-year-old male student in her car.

Cops nicked Biology Miss Meredith Martin, 37, on five counts of sex abuse of a minor, eight counts of fourth-degree sex offence involving a person in the position of authority and two counts of "perverted practice".

The investigation began when officials at South River High in Edgewater, Maryland, called police on January 30 last year and reported that Martin and the student had been seen engaging in "inappropriate contact".

Cops conducted interviews with witnesses, including the victim, who "disclosed having numerous sexual encounters" with the teacher.

A police source said: "She was all over him like a rash – in a 'hungrily sucking his hard, young cock' kind of way. When she was caught, her face was drenched in spunk. Drenched in it.

"This is unacceptable behaviour by a teacher.

"Parking up for sex in so-called secluded spots near to where schoolkids hang out was always going to be dangerous and now it's blown up in her face. Just like that lad's cock."

AS MPs DECIDE FUTURE OF HIGH-SPEED RAIL LINK, WE LOOK AT UK'S BREAST...

HS BOOBS!

PART 1: THE NORTH

AFTER the Great Battle of Brexit, what better way to unite the UK... than by driving a new railway line through the very heart of it?

The future of the HS2 railway hangs in the balance as ministers try to decide whether to press on with the controversial project, in the face of spiralling costs, or give it up as a bad job.

Whatever happens, the fact is the new line would knit the country closer together and reduce travel times from the regions to London by up to a whole 20 MINUTES!

Today, *Sunday Sport* begins a three-part series, celebrating the regions that will be linked by HS2 railway – the North, Midlands and the South.

And what better way to do that than by showcasing a few topless models from each of those three regions – we begin with stunnas from the North...

10 things you might not know about STATE OF THE UNION

BECAUSE Americans are strange, they don't have a Queen's Speech like we do – they have a "State of the Union" speech, given by the President in Congress.

Last week, Donald Trump delivered this year's speech to the delight of Republicans, but to the dismay of Democrats.

Democrat House Leader Nancy Pelosi theatrically ripped up her copy of the speech during Trump's ovation.

But what is this central event of US politics all about?

Here's some facts you may not know…

1 **ARTICLE II, Section 3 of the US Constitution states, in part: The President "shall from time to time give to the Congress Information of the State of the Union, and recommend to their Consideration such Measures as he shall judge necessary and expedient".**

2 THOMAS Jefferson sent written statements during his presidency instead of appearing before Congress in person. He claimed appearing in person was too like the British monarch's speech to Parliament. In fact, he just had stage fright.

3 **FROM George Washington's first address speech in 1790 to 1946, the practice was called the "Annual Message," and the phrase "State of the Union" was officially adopted in 1947.**

4 CALVIN Coolidge gave the first radio broadcast of his address on December 6, 1923.

5 **HARRY S. Truman delivered the first televised address on January 6, 1947.**

6 GEORGE W. Bush is the first President to have his State of the Union address broadcast online.

7 **ONE member of the President's cabinet – called the "designated survivor" does not attend the address. He or she remains at a secret location to make sure the government can continue should calamity befall the nation's president, vice-president and other top leaders.**

8 THE practice of the "designated survivor" was the inspiration for a TV series starring Kiefer Sutherland – which is pretty awful.

9 **BILL Clinton gave the top two longest in-person speeches: 1 hr and 28 mins in 2000 and 1 hr and 24 mins in 1995.**

10 RICHARD Nixon holds the record for the shortest State of the Union speech. His 1972 address clocked in at a shade under just 29 mins.

DEANO ON SUNDAY

These spineless students trash the memory of our heroes

ALAN Clough was the second son of Mr and Mrs Henry Smith Clough, of Redholt, Keighley.

In 1913, he passed the entrance exam for Cambridge University but before starting his studies there, spent a year working in his father's spinning business.

Alan was due to enrol at Trinity College in October 1914 but, that August, the First World War broke out so, like millions of young men at that time, he signed up to fight.

He was given a commission as a Temporary Lieutenant in the 16th (1st Bradford) Battn. of the West Yorkshire Regiment, September 23rd, 1914.

He was promoted Captain, December 16th, 1914, when he was still only 19 years old.

In April, 1916 and took part in the first of the grisly battles along the infamous Somme river. On the first day of the battle he was seen to fall wounded – at the head of his men – before reaching the German trenches.

His body was never found. His memorial states it was presumed his corpse was, "totally destroyed by shell-fire".

Alan didn't get to take up the place at Cambridge he'd worked so hard to win because he'd fought – and died – for his country, one of hundreds of thousands of young British men who gave their lives in that awful war.

Fast forward to 2020. Last week, Cambridge University Students' Union said that having military personnel at their freshers' fair is "alarming" for attendees and could "affect" their mental health.

Union "welfare and rights officer" Stella Swain tromboned that the union was committed to "demilitarisation efforts" within the university, and therefore should not be a place for "military organisations to recruit".

FOR THE LOVE OF F**K!!!

Has this country fallen so far in scarcely more than 100 years?

Many, many young men either left their studies or delayed entrance to Cambridge – and other universities – to fight in the First and Second World Wars. Many of them never came back.

The ones that did come back had certainly had their mental health "affected".

By her pathetic posturing Stella Swain – and every undergraduate who voted to ban the military from the Cambridge freshers' fair – tramples on the memories of men from a better generation, a braver and more generous generation.

These spineless, whimpering, pipsqueaks should have no place in such a prestigious university.

In fact, they should have no place in our great nation.

CHEAT GLUED RIVAL'S DISCS TO TABLE AT VILLAGE HALL CHAMPIONSHIP

TIDDLYWINKS COUNTER TERRORIST

FLIPPING FIASCO: Village hall where cheat shocked fans

DIRTY WINKER: Jarvis watched porn and drank cider as he played

© Facebook

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK

THE world of big-match tiddlywinks has been rocked to its core by the antics of one rogue winker who GLUED his tournament rival's counters to the table.

The village hall in Hatton, near Runcorn, Cheshire, was packed with tiddlywinks fans for the Hatton and District Open, a prestigious event in the genteel game.

And the aficionados were SHOCKED by the cheating of tiddlywinks' self-styled bad boy Graham Jarvis.

The 49-year-old – who is on long-term sick leave from his job as a bus conductor – drew GASPS from the crowd as he:

- HECKLED opponents
- VIEWED pornography during matches
- DRANK strong cider from the bottle.

RIDICULED: Priti Patel

But the greatest shock came during the semi-final when Jarvis managed to GLUE opponent Sid Davies' counters to the table – preventing him from flipping them into the cup.

An onlooker said: "Hundreds of people were watching, but somehow he slipped some superglue under Sid's counters.

"The umpire let poor Sid take the shot again with a new counter, but he missed and Jarvis won.

"Everyone knew he had cheated, but nobody could prove it.

"In the final he was beaten fair and square by Jeff Goole, a gentleman of the game, but he shouldn't have been in the final.

"He cheated. Call it 'counter terrorism' if you will."

Jarvis now faces a ban from The World Tiddlywinks Council.

Last night, at his Widnes bedsit, a clearly-drunk Jarvis told our reporter: "F**k off. I know my human rights. I'm disabled."

It's not the first time that "counter terrorism" has been in the news this week.

Priti Patel was ridiculed after she repeatedly vowed to tackle 'counter-terrorism offenders' following the Streatham knife attack.

The Home Secretary of course meant to say "terrorism", not "counter-terrorism".

MADGE-ic!

SHOWGIRL: Madge (*right*) performing last week at the Palladium (*left*)

AT an age when most women are spending more time with their grandkids and looking forward to receiving their bus pass, pop legend Madonna is still on fire.

At the grand old age of 61, the Queen of Pop is still cramming fans into sold-out arenas.

And she's more likely to be seen burning up the dancefloor in a club than the Blackpool Tower ballroom.

By GRACE HOOPER
news@sundaysport.co.uk

What's more, the *Like a Virgin* crooner is still a fan of young cock and her latest beau is Ahlamalik Williams, 25 – one of her backup dancers.

Madonna is currently trotting round the world for her raunchy Madame X tour – which hit the London Palladium just last week.

So as a special tribute, here are some of Madge's hottest snaps from her glittering career…

WRONGED HUBBY ADMITS HACKING COP'S COCK

CONFESSION: Amornrak Jitkoh

MORE details have emerged about a jealous husband who chopped off his love rival's PENIS and then stabbed him to death.

Amornrak Jitkoh, 45, was furious after finding that his wife, Nai, wanted to leave him for local policeman Jumrus Doljue, 57.

He admitted hacking off the cop's penis in a jealous rage, throwing it on a fire and then fleeing on his motorcycle.

By BRAD CHADWICK
news@sundaysport.co.uk

Pounced

Jitkoh first set fire to Mr Doljue's car outside his house in Kalasin, Thailand, to lure the officer out.

Then he pounced on him with a knife and repeatedly stabbed him.

Jitkoh told cops: "I cut off his penis because of my anger.

"I stabbed him many times, cut his penis and threw it in the fire then ran to my motorcycle and escaped."

Police later found the victim's mutilated body with his penis hacked off and 23 stab wounds to his neck and body.

Officers traced Jitkoh to a nearby restaurant and arrested him as he calmly ate noodles.

Jitkoh smirked as he confessed to the brutal murder, adding that his wife, a fortune teller, had refused to end the affair and had asked him for a divorce.

He also told police: "I suspected he was having and affair with my wife since November 2018.

"Then in February 2019 my wife asked for a divorce.

"We still lived together until we had a fight last September that caused her to move away to her family's house, which I later found was next to the official residence for police officers.

"I went to talk to her but she still refused to stop her affair with the policeman so I went and talked to him.

"He was not willing to stop seeing my wife so I killed him."

A police spokesman said Jitkoh confessed to the murder and would be remanded in custody for a court date to be set.

I have always been very fond of **RABBIT VIBRATORS** and was so excited that I would have the chance to try this amazing toy.
The **JESSICA RABBIT** has multiple functions that can lead you to the most wonderful climaxes ever. Powerful vibrating bullets and velvet feel to the touch with a clit tickler that will have you screaming for more right from the start. Waterproof too, so bathtime will never be so much fun! Girls if you don't own a **RABBIT** then don't delay. The rumours are all true!

LOADS OF BABES, TELLY AND CHAT

Beth has a weird way to get her kicks

PRETTY brunette Beth Humphries is loving the new series of *Inside No. 9* – the creepy comedy drama by *League of Gentlemen* stars Steve Pemberton and Reece Shearsmith.

The 30E beauty, from Camden, north London, says the show is her favourite thing on television and has been hooked since the very first episode.

She said: "My favourite is the Christmas one that was set in the 1970s and was a perfect pastiche of all the old British horror films.

"That and the one set in an art gallery. They're all brilliant and by far the best thing on telly.

"I don't know why everyone isn't watching them, to be honest.

"Well I do – I tried to get my girlfriends to watch one and they all called me 'weird' afterwards.

"It takes all sorts though, doesn't it?"

EMMA WANTS A HANDY MAN!

By WENDY THOMAS
news@sundaysport.co.uk

NAUGHTY Emma Louise wants a fella who can fulfil her every desire – and paint her living room!

The 32G babe from Romford, Essex, reckons she will only settle down with a fella if he is the perfect package.

Orgasm

Emma, 28, said: "I'm not going to settle for second best. He has to be fit, funny and brilliant in bed.

"And he has to be handy too.

"It's no good him giving me orgasm after orgasm if he can't put up a shelf or paint the lounge!"

LEGENDS OF PORN

PART 94 CALI CARTER

GORGEOUS Cali Carter loves her job as a porn star and, despite starring in more than 100 scenes, still gets excited when a fella spunks on her face.

By PENNY MARSHALL
news@sundaysport.co.uk

The 27-year-old star of *Street Blowjobs*, *Glory Hole Loads*, *Full Anal Service* and *Rectal Workout* has been in the business for more than four years.

Speaking about her first scene, she said: "It was actually kind of easy. It was a very simple blowjob scene, just me and my agent. He's been top male talent and he controlled the camera because he had experience with that, so it wasn't nerve-wracking."

She added: "I usually end up doing facials. They always want to make a big thing about it.

"Sometimes they cum on my big ass, I don't really have a preference.

"So every scene I've done has been one of those two places.

"I like to be able to see it, to watch their face, it's just a good experience."

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Birmingham...

TERI WILLIAMS
AGE: 20
FROM: Birmingham
OCCUPATION: Tattooist
FAVE DRINK: Prosecco
FAVE FOOD: Indian
FAVE FILM: American Beauty
FAVE ACTOR: Willem Dafoe
FAVE HOLIDAY: Egypt

CLAIRE SMITH
AGE: 20
FROM: Birmingham
OCCUPATION: Dog walker
FAVE DRINK: Rum and coke
FAVE FOOD: Thai
FAVE FILM: 101 Dalmatians
FAVE ACTOR: Tom Hanks
FAVE HOLIDAY: Turkey

BIG WILLIES

TERI: The first willy I ever had was about eight inches long, but since then they've all been smaller than that!
CLAIRE: Do you regret losing the big one?
TERI: Yes, the bigger one was far more stimulating than the others.
CLAIRE: My ex-boyfriend's willy was about eight inches and I must admit the size made a huge difference to our sex life. The sex seemed much better than with an average sized willy.
TERI: So, do you seek out big willies now?
CLAIRE: No, but you know the sex is going to be better with a big one. I went out with a guy whose willy was about four inches long and I've never been so unsatisfied.

FAKING IT

TERI: Have you faked many orgasms in the past?
CLAIRE: Yes, with my ex I faked it every time for a whole year, he was so crap in bed. He didn't know what to do and wanted sex all the time, so the easiest way to get it over with was to fake it.
TERI: Have you faked it much since then?
CLAIRE: No, my current is a really good shag!
TERI: I can't remember the last time I had a real orgasm, it's that long ago. I fake it virtually every time I have sex.
CLAIRE: How do you survive?
TERI: There's a little thing I own called a Rampant Rabbit which satisfies my needs!

FAVOURITE POSITION

CLAIRE: I love having really rough and fast sex. It's best when you do it like that in the doggy position because I get to feel submissive and you don't have to look at the bloke's face.
TERI: Do you not like doing it slowly?
CLAIRE: No, because it's a bit too boring when you do it like that.
TERI: I find that slow sex can last a bit too long, so I prefer fast and furious sex.
CLAIRE: So what's your favourite position?
TERI: Me on top, it allows me to be really energetic!

THREESOMES

CLAIRE: I had an amazing sexperience last year, I ended up in a foursome with some friends. I was with two boys and one of my girl friends. We were all drunk and it just happened.
TERI: I bet that was really kinky! Did you enjoy yourself?
CLAIRE: I loved it at the time but regretted it the next morning because I felt really awkward around them and they felt the same way. I wouldn't have another foursome, but I'd have a threesome if it was with two blokes.
TERI: I haven't had group sex before and I don't think I'd like to. It sounds good but I don't think I'd have the bottle!

STRANGEST PLACE

CLAIRE: Have you had sex anywhere strange?
TERI: Yes, I went to a foam party, pulled a bloke there and then had sex with him when we were up to out neck in foam!
CLAIRE: Did anyone see you?
TERI: No, no one could see what we were up to. Loads of couples were having sex and it was great fun. I'd love to do it again.
CLAIRE: I did it in a phonebox with my boyfriend once. We were a bit drunk and were bored of shagging in bed and in the shower all the time, so we decided to spice things up a bit.
TERI: Did you find it thrilling?
CLAIRE: Yes, I've never been so excited and I had a really quick orgasm! I'll definitely be doing it again.

KINKY SEX

TERI: Are you into bondage?
CLAIRE: Yes, I like being spanked a bit and I've used handcuffs and blindfolds before as well.

> "I prefer fast and furious sex with me on top – then I can be really energetic"

TERI: I've never done anything like that, is it good?
CLAIRE: Yes, you've got to try it! When you're handcuffed to the bed and have got a blindfold on, sex is electric. I love the feeling of being submissive and the spanking really gets my juices flowing!

ONE-NIGHT STANDS

TERI: Do you ever have one-night stands?
CLAIRE: Yes, I've had two. One was good but the other was rubbish and he was a bit of a minger. He looked like Shrek and I got the shock of my life when I woke up next to him the next morning!
TERI: What do you look for in a bloke then?
CLAIRE: Usually good looks and lots of money! They have to buy me doubles all night if they've got any chance of getting me into bed as well!
TERI: I've only had one one- night stand and it happened when I was on holiday, I was 18 and he was a spotty 19-year-old who worked in McDonald's!
CLAIRE: Was he good in bed?
TERI: No, and we did it on the toilet in a bar. He was greasy and smelled of frying oil, I don't know what I was thinking!

FIRST-TIME SEX

CLAIRE: Was your first time like you thought it would be?
TERI: Not at all. I was 16 and did it with my boyfriend in my gran's bed while she was at bingo!
CLAIRE: Was he good?
TERI: He was okay considering it was his first time as well. He came quickly, it was all over in five minutes but that was what I was expecting. Unfortunately, we left the noddy on my gran's floor, she never mentioned it but she must have found it!
CLAIRE: My first time was with a friend from school when I was 16. We were at a house party and I ended up pulling him before he led me up to the bathroom and we did it on the floor.
TERI: Was it uncomfortable?
CLAIRE: Yes, and he was crap! It only lasted about two minutes before he came, it was more of a fumble. I was disappointed.

LESBO LOVING

TERI: Do you enjoy snogging girls?
CLAIRE: Yes, and I like having a bit of a grope when I'm doing it as well!
TERI: How many girls have you groped?
CLAIRE: Only one, it was the girl I had the foursome with! She had cracking boobs and I couldn't resist having a bit of a squeeze. I'd never go further than groping though. Muff diving isn't for me!
TERI: I've snogged a few girls when I've been out, mainly to get attention from fit guys. You always pull when they see you snogging another girl, it really turns guys on. Girls are better kissers too.
CLAIRE: Would you go all the way with a girl?
TERI: No, I'm not attracted to girls. I wouldn't go further than kissing.

BUM FUN

TERI: What are your views on bum sex?
CLAIRE: I think it's far too dirty and girls shouldn't do it! I haven't tried it and I don't think I ever will.
TERI: You don't know what you're missing! I did it when I was 19 and my boyfriend at the time begged me to try it. I wasn't too keen, but when he finally got it in and started pushing deeper and deeper I started to really enjoy it
CLAIRE: Wow, I'm shocked.
TERI: I've done it a couple of times since and it gets better each time. Try it!

DRESSING UP

CLAIRE: Do you find dressing up a big turn on?
TERI: I've only worn sexy lingerie but I find that really kinky! I put on suspenders and stockings and it made me feel really sexy. The sex was out of this world because we were both so turned on.
CLAIRE: You should try wearing a costume some time! I've dressed up as a French maid, a bunny girl and also a schoolgirl. My favourite costume is the bunny girl outfit because it's the most sexy one.

SEX TOYS

TERI: Are you into using sex toys?
CLAIRE: No, I used to have a vibrator but it wasn't very good.No sex toy can ever compare to the real thing.
TERI: I disagree. My Rampant Rabbit is the best thing I've ever bought! It gives me multiples most times!

JESS ONE F**K, THAT'S ALL IT TOOK...

GORGEOUS Jess West is a multi-award winning porn star.

And she's been a regular on top filth channel Television X for the past decade.

The brunette scorcher stopped by TVX HQ last week to have a chat about her life in the adult industry, and what she's got planned for 2020...

Hi Jess, thanks for stopping by! Can you start by telling us about how you got into the porn industry?

I started off modelling for lads' magazines like *Nuts* and *Zoo* and it all just went from there!

I got into porn over a decade ago and I've loved every filthy minute of it!

You've shot loads of scenes with TVX – what are you planning on doing in 2020?

I've got lots of new content planned for this year, but I can't give too much away.

But I can say you're going to get more of the same Jess West in some of my naughtiest scenes yet. I can't wait for you all to see them – it's so hot!

Out of all these amazing scenes you've shot, who are some of your favourite stars to perform with?

There's so many – I've met some amazing and very sexy boys and girls, so it's hard to choose!

Victoria Summers is a good friend and she's got the most incredible body – I love her tits!

Out of the guys, it has to be Demetri XXX. When I work with him, I get so horny. He's amazing!

What are the best parts of being a porn star?

Obviously the sex. It's my dream job being able to f**k the sexiest people every day – can you think of anything better?! And I love getting to travel all over the place and meet new people, but the f**king is the best.

You've starred on TVX for most of the last decade – what to you love about Television X?

What's not to love?! Television X has helped me a lot in the adult industry – I've been booked for so many scenes, like *Jess West Ate My Homework*, *Iron Lady Garden* and *Jess West: School Of Porn* and they've really helped me out.

Thanks TVX, I can't wait to work with you again soon!

IF you want to see Jess West in filthy, uncensored, explicit action subscribe to Television X by calling 0871 271 6869 or just visit *televisionx.com*

And you can watch all the best HARDCORE boxsets of our TVX titles on *Zaucey.com*

***999: What's Your Emergency?* – C4, 9pm**

A LOOK at the increasing number of crimes committed by women, with PC Tom Gregory investigating an early evening report of a group of women attacking a lone girl. PC Jon Simpson visits the male victim of an opportunist robbery by a woman at his home, and a 12-year-old girl who has endured years of bullying gives a statement to police about the female teen gang who set fire to her hair.

Sailors' exploits will have you all at sea

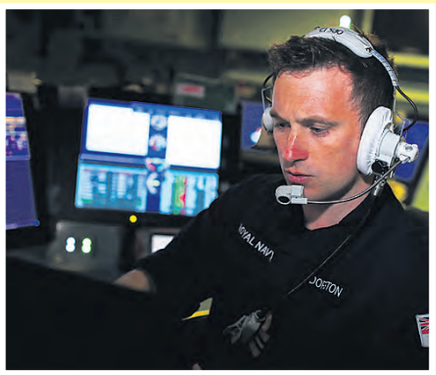
***Warship: Life at Sea* – C5, 9pm**

NEW series. Return of the documentary about life aboard HMS Duncan.

Cameras focus on a female lieutenant training to become a captain.

Then, upon entering the Mediterranean, there's an emergency when a crew member falls overboard into choppy waters and a desperate search begins to find him.

An ideal watch if you like boats. Or sailors, for that matter.



OF THE TELLY

Italians are sure Toulouse

Live Six Nations Rugby Union: France v Italy – BBC1, 2.30pm

GABBY Logan presents coverage of the concluding match (kick-off 3pm) from the second round of fixtures, held at Stade de France.

The French prevailed 25-14 in Italy last year to extend their winning run against the Azzurri in this competition to six matches.

They'll also be fired up after giving an England a lesson here last week.

With analysis from Thomas Castaignede, Sergio Parisse and Joe Worsley, and commentary by Eddie Butler, Jonathan Davies and Paul O'Connell.

Endeavour – ITV, 8pm

NEW series. As Morse sees in 1970 on New Year's Eve at a Venetian opera, Thursday and the team are faced with a grisly murder on an Oxford towpath.

Back in Oxford, Morse meets a kindred spirit, while a ground-breaking college project becomes a fatal battle of the sexes.

Shaun Evans stars as the brainy detective, in an episode he also directed, with Roger Allam, Anton Lesser and Sean Rigby.

The Pale Horse – BBC1, 9pm

WIDOWED antiques dealer Mark Easterbrook investigates when his name appears on a list found in the shoe of a dead woman, and his enquiries lead him to the home of three spinsters in Much Deeping.

The village is a place of traditions, macabre rituals and strange beliefs – a place of witches, curses and spells – and as more deaths occur, Mark starts to fear for his own life and sanity.

First of a two-part adaptation of Agatha Christie's 1961 novel, starring Rufus Sewell, Sean Pertwee and Kaya Scodelario.

TUESDAY

The BRITs at 40 – ITV, 8pm

JACK Whitehall narrates a look back at the history of the awards ceremony, featuring archive footage of some of the most memorable moments, from Oasis and Blur's rivalry to Stormzy's attack on the Government, and classic performances by Adele, Rihanna and Drake.

The programme also recalls less successful moments, from the infamous 1989 ceremony hosted by Mick Fleetwood and Sam Fox (I wonder if they get repeat fees for every time that's shown?), and Madonna's struggles with her cape.

Featuring interviews with stars including Robbie Williams, Mel B, Mick Fleetwood, Little Mix, Sam Smith, Ellie Goulding, Sharon Osbourne, Bros, Dua Lipa, Rick Astley and Tom Jones.

A desperately cheap way for ITV to fill two hours of prime time. Stingy, money-grubbing c**ts.

The Split – BBC1, 9pm

NEW series. Return of the legal drama, starring Nicola Walker.

A death in the family brings everyone back together. While Hannah's marriage seems to be back on track, she has begun a dangerous affair with a colleague.

Zander returns from America, and introduces an unsettling new addition to the team, and the firm takes on two high-profile clients – a TV presenter locked in an unhappy and controlling marriage and a man who wants a divorce before he dies. Guest starring Donna Air.

DON'T MISS THIS!!!

Tyson Fury: The Gypsy King – ITV, Thursday 9pm

NEW series. The opening instalment in a three-part documentary following the boxer as he prepares for his rematch with Deontay Wilder for the WBC World Heavyweight title, after the first contest in December 2018 ended in a much-disputed draw.

Filmed over several months, the programme provides a real insight into the life of one of British sport's most flamboyant and controversial characters and those who are closest to him.

Sunday Sport SEXY BACK END!

SEX? IT'S ALL BLA & WHITE FOR ME!

HORNY Cali Garcia only recently found out her home town of Ealing, in West London, was the location of the British film industry from the 1930s to the 1960s.

By JAYNE FERGUSON
news@sundaysport.co.uk

Since then, the 26-year-old has been boning up on the history of the place and watching loads of old black and white films.

The 32DD brunette beauty said: "I used to see loads of blue plaques around the town, but not think anything of them, then I saw a documentary about Ealing film studios and was amazed.

"I've been reading all about it and watching old films ever since.

"My favourites are *Whisky Galore!* and *Kind Hearts and Coronets*. They're brilliant.

"I never would have watched a black and white film before that documentary."

MILLY: I LOVE TO GO OUT WITH NO PANTS ON!

By WENDY THOMAS
news@sundaysport.co.uk

SEXY Milly Morris says she's obsessed with saucy lingerie.

And she boasts an entire chest of drawers full of the stuff.

But the 24-year-old, from Rochester, Kent, said she feels sexier when she wears NOTHING at all!

The 34D beauty said: "I love lingerie – just slipping on a pair of stockings is enough to get me wet.

"But what turns me on even more than that is going commando.

"Whenever I go out without any knickers on I am literally desperate to get laid!"

DOROTHY'S WELL UP FOR REMOTE SEX!

By WENDY THOMAS
news@sundaysport.co.uk

SEX-MAD Dorothy Black once used a TV remote control to masturbate with after getting so turned on watching *Fifty Shades of Grey*.

Lusty Dorothy, a 34DD babe from Enfield, north London, said: "I was so wet watching all the horny BDSM sex scenes that I started fingering myself.

Virgin

"Soon that wasn't enough. I needed to be filled up – and that's when I reached for the remote control.

"I've got Virgin telly so it's quite girthy and really did the job – came in no time!

"It might have been better if I'd been watching it my bedroom, though – I've got a wide range of proper toys in my bedside cabinet!"

Dear Lexi,

I JUST cannot stop sleeping with guys from the pub where I work. My boyfriend works away for weeks at a time and I'm a horny girl of 23.

My boyfriend and I have amazing sex when he is home, but he knows I'm a cock-mad bitch. Within a very short time of him going away, I'm climbing the walls for man-meat.

One of the fellas at the pub, who I've fancied for a while, said he'd always wanted to f**k me and he's ace. He knows how to give me the shagging I want and leaves me satisfied – for a while.

He also introduced me to two of his mates and they each take it in turn to ride me.

I know it won't be long before I get caught. What should I do, as I love getting so much cock?

GT, Hants

Lexi says...
WHY not try to organise a full-on gang-bang – only with your fella included.

Dear Lexi,

I'M a 22-year-old uni student who recently met, and fingered, a sexy 65-year-old blonde woman on a train.

As she sat opposite me in an empty compartment she caught me looking up her skirt and said: "Do you want to get a better view?"

The bulge in my pants answered for me and she slowly hitched up her skirt up to reveal a tiny red thong. She was very moist and had already unzipped my trousers and was slowly beating my cock.

I spread her legs and eased three fingers up her snatch and started to quickly move them in and out. She was moaning with pleasure and I eased my raging boner up her and rammed her hard and fast.

Within minutes we had both orgasmed. Then she gave me her address and invited me round. Should I should get involved with this older lady?

TR, east London

Lexi says...
YES, but don't get too serious.

Sexy sisters took jizz out of me in pub toilet romp

Dear Lexi,

I WORK in the only pub in a pretty, quiet village and I have recently fallen for one of the locals.

She's in her 30s and has very well-rounded breasts and a pert bum.

We have a great laugh every time she comes in for a tipple and we fondle each other on the sly without the others in the pub knowing.

I'd like something more serious to happen between us but cannot find the words to talk to her about being more intimate.

The problem is that I'm already sleeping with her sister – who's 10 years younger.

We have a very lively sex life – rucking in the local hills and caves, plus some long leisurely sessions at her place.

Recently, we had a lock-in at the boozer and when I went to the toilet, the younger sister followed me in.

She grabbed me and kissed me hard, forcing her warm, probing tongue into my mouth while grabbing at the growing bulge at the front of my jeans.

Then she pushed me into one of the cubicles, forced me to sit down on the shitter and yanked off my strides before kneeling down to take my rock-hard cock between her wet lips.

She then gave me one of the best blowjobs that I've ever had.

When we went back in the main part of the pub, I sat down to have a drink with her sister.

She was well drunk by this time and she leant over and put her hand down my trousers – right in front of all the other drinkers.

Then she pulled me to the ladies with her and ripped my jeans down and hitched up her skirt.

She pushed me roughly against the wash basin and guided me into her sopping gash.

After 10 minutes we were still going for it when the younger sister came in, pushed her to one side and started on me again.

I thought there was going to be a massive cat-fight between the two siblings, but the older sister seemed really turned on by what she was seeing.

Collapsed

She came close to us and then encouraged me to fondle her at the same time.

We went on like this until I'd shafted both of them and we lay collapsed and exhausted on the floor together.

Thank goodness nobody else needed to use the ladies that night!

But the next morning, when we'd all sobered up, things were very different.

Both sisters are asking me to choose between them and I don't want to ditch either of them, as they are both an excellent f**k.

What should I do?

BH, South Yorks

Lexi says...

CHOOSE the younger model – there'll be more mileage in her in the long run!

PEP SAYS YES NDIDI

Leicester star lined up for City move

WANTED MAN: Wilfred Ndidi

WILFRED Ndidi is being linked with a surprise transfer to Manchester City.

By BRENDAN MACKIE

The Leicester midfielder has blossomed into one of the best holding players in the Premier League since signing from Genk in 2017.

The Nigerian has been one of the most important factors in Brendan Rodgers leading the Foxes into the top three this season.

They are currently fighting with champions City for second spot behind runaway leaders Liverpool.

And Ndidi could be switching sides this summer. Reports in Nigeria suggest that he is on the verge of a £50m move to the Etihad.

City have been playing summer signing from Spain Rodri in the holding role with veteran Fernandinho often pushed back into defence.

That clearly hasn't been working as well as Guardiola thought when he paid Atletico Madrid over £60m last summer to bring the Spanish international to the club.

And Leicester manager Brendan Rodgers admits that 23-year-old Ndidi is one of the key men at the King Power.

He said: "I've known Wilf long enough now. He's a real warrior and a tough player."
